CONGRATULATIONS TO “MY SENIORS”!!!

I just wanted to take a moment to tell you congratulations and thank you! For a lot of you, we have been together for 4 years! I have seen you at least on a weekly basis and have gotten to know you pretty well. Where ever your path takes you, I hope you will always know that you left a handprint on my heart and on my business. You helped mold me as a person and who I am as a business person today. I hope I have given or shown you a few things as well (besides a tan ;o) . I want you to know that if your travels lead you back to East Lansing, you are always welcome here! I am on facebook and you have my email (sarah@bronzebaytanning.com), so as your life changes, please remember to drop me a line once in a while because *I will truly miss you!!! Sarah*

Congratulations to BBT's 3 Graduates!
